NEW FOR  
2018

Elevating our sonic palette, Ludwig is proud to introduce a new line of USA drums crafted for the working professional! NeuSonic series drums by Ludwig offers yet another tonally rich option for the drummer looking for reliability and performance for every working professional setting. They feature a cross-over shell design blending a 3-ply maple exterior with a 3-ply cherry interior. With four new exciting finishes, NeuSonic captures the traditional Ludwig aesthetics coupled with a brand new sound that will compliment a wide-range of performance settings. The industry's "Best-In-Class" for price of any USA made drum set.

# SNARE DRUMS

## Raw Brass Phonic

As organic in looks as it is in sound!

The new raw brass features an unplated 1mm brass shell to achieve a very unique “earthy” look. Everything you love about a Black Beauty with just enough dry response and an unforgettable look. Each shell has an identity of its own!

**LB454R** 5x14  
**LB464R** 6.5x14  
**LB484R** 8x14

## Heirloom Brass

The latest addition to the Heirloom Series snare drum line. Honoring a 100+ year prestige of Ludwig snare drum craftsmanship, the Heirloom Brass performs with the sonic qualities of brass we’ve come to enjoy with heightened volume and focus. The 1mm shell also provides a powerfully crisp attack that finds its own space in any mix or situation. It features a lazer-etched Heirloom band, flat imperial lugs, silver keystone badge, and Ludwig’s new P88 throw-off.

# HARDWARE

## Evolution Hardware Pack

The best option for performance and price!

Ludwig's Evolution 5 piece hardware set includes two convertible boom stands, snare stand, swivel 3-leg hi-hat stand, and single foot pedal. All double braced for maximum strength and reliability.

## LEVOPACK

P35 Butt-Plate

P88 Throw-Off

## P88AC Throw-Off & Butt-Plate Pack

Simple. Elegant. Reliable.

Ludwig is proud to introduce a re-imagining of the renown P85 throw-off. The P88 is a cast design that will fit all P83, P85, and P86 units. This throw-off features Wave-Lock technology in the tension knob for consist tension under rigorous playing. Capturing much of the Ludwig identity in its design and functionality, the P88 is the only throw-off option for Ludwig snares drums.

Pack includes Ludwig P35 butt-plate. Designed for low-mass and minimal shell contact. A great combination for upgrading your Ludwig snare and coming standard on all new Ludwig snares.
